Toronto, Ontario - Michel DeQuevedo, the talented and versatile musician known for his unique fusion of Latin, African rhythms and contemporary Pop, is set to captivate audiences worldwide with his new single "Yo que Tú." This highly anticipated track is a glimpse into his forthcoming album titled "Michelada," promising an immersive musical experience that transcends boundaries and resonates with listeners on a profound level.

[micheldequevedo.com](http://micheldequevedo.com)

"Yo que Tú" highlights Michel DeQuevedo's diverse talents as a composer, musician, and lyricist, while also reflecting his dedication to spreading positive messages of positivity and self-improvement. With its powerful lyrics, elegant yet straightforward arrangement, rich vocal harmonies, and Michel DeQuevedo's unique touch, "Yo que Tú" crafts a dynamic and profound sonic experience, guiding listeners on a journey of introspection and emotion.

"Yo que Tú," the latest release from Michel DeQuevedo's forthcoming album "Michelada," seamlessly blends influences from the diverse cultures and musical styles that have shaped his career. Combining African and Latin percussion with hints of jazz, rich vocal harmonies, and straightforward melodies, "Yo que Tú" creates a sound that is both distinctive and original.

As an emerging force in the music industry, Michel DeQuevedo brings a fresh perspective and a rich cultural heritage to his music, drawing inspiration from his Mexican roots and global influences. "Yo que Tú" exemplifies his commitment to crafting innovative and compelling music that leaves a lasting impact.

Fans and music enthusiasts can look forward to the full release of "Michelada," which promises to be a testament to DeQuevedo's artistic vision and creative prowess. Stay tuned for more updates and announcements as Michel DeQuevedo prepares to unveil his musical masterpiece to the world.

**SHORT BIO:**

Michel DeQuevedo is a talented Mexican-Canadian Singer-Songwriter and Percussionist, known for his genre-defying sound that blends Latin and African rhythms with contemporary Pop sensibilities and added hints of rock and jazz.

With a reputation for excellence, Michel has collaborated with renowned artists such as Grammy Award winners Natalia Lafourcade, Julieta Venegas and Molotov; Juno award winners Walk off the Earth, Richard Underhill and Quique Escamilla and Juno award nominees Sultans of String.

In 2021, Michel was diagnosed with stage IV Gastrointestinal Neuroendocrine Cancer, prompting him to establish NETs México, the only patient advocacy organization for this condition in Latin America.

Through his original music, Michel shares stories and experiences that touch the soul, creating a powerful and uplifting listening experience.
